Dear Srihari,

I am delighted to inform you of your admission to the Master of Engineering Management (MEM) program, beginning Fall 2025. I commend you for your achievement and am pleased to offer you the opportunity to study at Thayer School. I do hope you will choose to join us.

Tuition for the 25/26 academic year is \$23,069 per term (\$69,207 for the 25/26 academic year). Based on your PROFILE Financial Need Analysis Report, the funds available, your need-based award will be as listed below. Cost of attendance information for the 24/25 year can be found [here](#). Soon we will update this information for 25/26.

	Per Term	For academic year '25/'26 (Fall, Winter, Spring)
25/26 Tuition	\$23,069	\$69,207
25/26 Award	\$9,227	\$27,681
Balance of Tuition	\$13,842	\$41,526

This award reflects a partial tuition scholarship. You will be responsible for the balance of tuition, room and board, tuition, fees, books, supplies, insurance, personal expenses, etc. Please visit the webpage [here](#) for more information on MEM tuition, expenses, financial aid and loans. Paid hourly Teaching Assistant positions may also be available (information will be emailed over the summer). As with all Thayer graduate students, our commitment of financial assistance will continue as long as you remain in good academic standing and are making normal progress in fulfilling your degree requirements, within a reasonable time frame (normally 15 months).

MEM students are expected to do an internship ([ENGG 390](#)) - usually during summer term. A partial tuition charge, set at 15% of full term tuition (~\$3,460), is assessed for ENGG 390. An internship also has the advantage of serving as the possible basis of an initial career position. An internship possibility may be posted by our Career Services Office or obtained through other avenues. For more information please visit the [Thayer's Career Services pages](#).

For important information as you considered your offer of admission please visit the links below:

- For term start dates and information Academic Calendar pages [here](#)
- Tentative list of classes offered each term can be found [here](#)
- Thayer's [Admitted Student Pages](#) which include information on the mandatory Orientation Program scheduled the week before classes start.

Your application **Status Page** includes the following for you to confirm your intentions to register/claim your spot, beginning Fall 2025:
